

AP AIR, INC. FREIGHT DISCOUNT POLICY

1. AP Air utilizes many carriers for shipments of products and reserves the right to select the carrier on any discounted freight orders.
2. For Standard, non-truck freight orders the original product order must exceed \$750.
Excludes radiators, flush, freon, oversized items, and/or 1 single item exceeding the cost of \$750.
3. For orders including truck freight items, the order must exceed \$1500.
Excludes flush, freon, and/or 1 single item exceeding the cost of \$1500+.
4. Oversized items are subject to internal review and may not qualify for free freight.
5. For orders to qualify parts must be shipped to a single location.
6. Customer's account must be current to qualify.
7. Accounts set up with third party billing do not qualify for free freight.
8. Next Day Air, Second Day Air or other premium freight services do not qualify for freight discounts.
9. International shipments are not eligible for the freight discount policy.
10. No freight allowance is offered on special order items.
11. COD orders do not qualify for free freight/shipping.
