

AP AIR, INC. FREIGHT DISCOUNT POLICY

1. AP Air utilizes many carriers for shipments of products and reserves the right to select the carrier on any discounted freight orders.
2. For Standard, non-truck freight orders the original product order must exceed \$750. Excludes radiators, Freon, oversized items and/or 1 single item exceeding the cost of \$750.
3. For orders including truck freight items, the order must exceed \$1250. Excludes Freon and/or 1 single item exceeding the cost of \$1250+.
4. Freon is excluded from both non-truck and truck pre-paid freight policies.
5. For orders to qualify parts must be shipped to one single location.
6. Customer's account must be current in order to qualify.
7. On truck freight orders, any additional charges incurred due to residential, PO Box addresses or special requirements are the responsibility of the customer. Only the normal truck freight amount qualifies for the freight discount.
8. Accounts set up with third party billing do not qualify for free freight.
9. Next Day Air, Second Day Air or other premium freight services do not qualify for freight discounts.
10. International shipments are not eligible for the freight discount policy.
11. No Freight allowance if offered on special order items.
